Things to Do & See

Everyone will get the most out of their vacation time by taking a look and pre-planning your sightseeing tours, activities and show tickets before going! We will be happy to make a reservation for you in advance, or you may book through the tour desk at the resort. Note: availability will be more limited if you wait until on property. Click <HERE> to review things to see and do from your resort area.

To Proceed with a Booking:

Complete the *secure Booking form from our website at <http://islandbridal.com/booking-form.html>*. Many airlines no longer permit name changes to reservations even before tickets have been issued so it is imperative that we have the correct and legal spelling of your first, middle and last name as well as your date of birth, prior to making domestic and international airline reservations.

A deposit of \$2239.98 per couple will secure your reservation. (If you select the recommended insurance, add \$ _ . _ _ per person to the deposit required.) Your remaining vacation balance will be due at least 45 days prior to your departure. Feel free to make interest free payments up until the balance is due (see payment plan option of Booking Form to schedule your payments.)

What is Next?

Once your deposit has been received I will commence booking all arrangements. When all confirmations have been received I will send you a detailed confirmed itinerary together with an invoice reflecting that the deposit has been processed and insurance has/has not been included. If we have encountered problems with booking the arrangements I will contact you to discuss suitable alternatives.

I spend much time and effort finding you the very best value; the lowest rate with the best schedule and experience. However, rates are constantly changing. *I* appreciate you coming back to me if you find a lower rate for a comparable package. It may very well be that the rates have changed or components included in our quote are not included in the price that you have found. The fact that you let me know, and give me the opportunity to save this business is a huge compliment and I am grateful for this extra step.

And remember, when you let Island Bridal handle your plans, you also get:

- Complimentary Honeymoon Registry consultation
- Evening and Weekend one-on-one appointments with your Travel Specialist

After booking, cancellation penalties will apply. If you are unaware of specific penalties for this reservation, please review the Terms & Conditions at <http://islandbridal.com/terms-and-conditions.html>.

It is necessary for all U.S. citizens to travel with a valid passport (must be valid at least 6 months after departure date) if leaving the country. You can have passport regulation photos taken at a local passport office, Walmart, Walgreens, or Kinkos. You need a certified copy (government issued with a raised seal) of your birth certificate to mail with the application, which you will get back. U.S. Passport fees are approximately \$100-130. If you wish to apply for a child's passport, both parents need to be present.
